

SYSTEM / C.O.P. Storage

By Mikal Harrsen

FINISHES

With its concealed rail mounting system, C.O.P. Storage System offers a simple flexible storage solution. The railing system provides a simple 'plug & play' solution. Created of only 3 basic units, a shelf insert and a drawer, the C.O.P. system offers a minimalistic storage solution for office and residential use.

The magnetic mounting system for shelves and drawers ensures easy reconfiguration whenever the purpose of use may change. The concealed rail system offers easy mounting or redecoration of the units without the use of tools.
